# EXPERIENCE

Days of operation: Every day (no Sunday)
Departure time and locations: 10:00 – 10:30 from Lucca city center
Estimated return: around 14:30/15:00
We will meet directly at your accommodation or at designated pickup points, where you will be greeted by our driver before departing by bus or minivan to Cappella, situated in the heart of the gentle hills of Lucca.

Nestled between the rolling hills between Lucca and Camaiore, Valle del Sole is a family-run farm that spans 10 hectares of vineyards and olive groves cultivated according to organic and biodynamic farming principles. Positioned between the Tyrrhenian coast and the Apuan Alps, here, sun, sea breeze, and rich soils create elegant wines and intense extra virgin olive oils, a true expression of the territory. Guided tours, panoramic tastings, and warm hospitality make every visit an unforgettable sensory experience.

Experience a day immersed in Tuscan nature: upon arrival, you will receive a welcome drink to accompany the guided tour of the cellars and vineyards.
Following this, enjoy a tasting journey of 8 wines representing the entire history of the winery, accompanied by a light lunch featuring seasonal dishes (such as lasagna, cold spelt salad with garden vegetables). All served on the company's beautiful panoramic terrace.
At the end, return by bus or minivan to the pick-up points.

**Individual participation fee: € 120.00**
**Minimum number of participants: 2**
**This includes: transportation via air-conditioned coach or minivan or car, assistance from our agency, guided tasting of eight wines from the estate, and light lunch.**
