

# VESPA TOUR WITH SUNSET APERITIVO WITH GUIDE

## LUCCA HILLS AND VILLA REALE DI MARLIA

### THE EXPERIENCE

This exceptional guided tour lasts approximately 4 hours on our vespas, covering a loop of about 40- 50 kilometers that connects historic Renaissance villas, DOC vineyards, and small medieval villages. There is also an opportunity to visit the Villa Reale di Marlia, located in Marlia near Lucca; it is one of Italy's most significant historic residences, renowned as the official home of Elisa Bonaparte

Baciocchi, sister of Napoleon. The estate is surrounded by an expansive 16-hectare park featuring refined English and Italian gardens, water features, and a historic lemon house (the entrance fee is 18 Euro, payable on-site). Before returning, we will enjoy an aperitivo on a panoramic bar overlooking the hills to take in the sunset. The tour concludes with a return to your hotel.
