EXPERIENCE

Imagine an evening where time seems to have stood still. The doors of an 18th-century historic mansion, nestled in the hills of Lucca, open with a warm, intimate welcome: the musicians themselves will do the honors, guiding you through the rooms of their life and art.

Before the music comes alive, the terrace will transform into a stage of flavors. Here, your eyes will wander over an extraordinary panoramic view of the Lucca plains, while a premium aperitif celebrates the region with typical local products and wine.

This will be the perfect sensory prelude. Then, in the silence of the evening, the space will fill with magic: the vibrant notes of the violin and the poetry of the piano will begin a classical concert in one of the indoor halls—a private dialogue between art, history, and beauty.

Individual participation fee: € 75.00

Children fee (6-12 years old): € 30.00

The fee includes: aperitif with a small buffet and local wine, classical music concert (piano and violin)
